TO: Members of the House

FROM: Speaker Ralston

As we look forward to resuming the 2020 Session of the Georgia General Assembly at a date to be determined, I have today appointed a committee to review our protocols and make recommendations on specific operations during that time. None of us can know what the remainder of the session will look like. All we can know is that how we conduct our business will be significantly different than when we suspended the session on March 13.

The members I have asked to serve on this committee are as follows:

Leader Jon Burns, Co-Chair

Leader Bob Trammell, Co-Chair

Chairman Matt Hatchett

Rep. William Boddie

Rep. Mark Newton

Hon. Bill Reilly, Clerk

Hon. Spiro Amburn, Chief of Staff to Speaker

Hon. Holli Pitcock, Speaker's Office Director of Constituent Services

Hon. Betsy Theroux, House Messenger
